

## Experiences and Outcomes:

SCN 0-01a	SCN 1-01a
TCH 0-09a	TCH 1-09a
TCH 0-10a	TCH 1-10a
MNU 0-20b	MNU 1-20b

## DYW link:

**Transport and Logistics Manager:** They are responsible for managing the execution, direction, and coordination of all transportation matters within the organisation. This includes managing budgets, organising schedules & routes, ensuring that vehicles are safe and meet legal requirements, and making sure that drivers are aware of their duties.

**Research Scientist (Life Sciences):** are responsible for collecting scientific data through fieldwork, setting up experiments and conducting scientific investigations in controlled environments and natural settings. Some life

## Resources required:

LEGO  
Whiteboards  
Loose parts  
Venn diagram template  
Animal fact cards

## Activity/Challenge:

- Using LEGO design and build a type of transport that could carry all the animals to the party.
- Sort all the creatures into a Venn diagram. Let the children choose the heading but some examples could be insects, animals, number of legs etc.
